

January 25, 2021

Dear Friend of The PCC,

We made it through 2020! The year definitely had its hard times but there was also so much good. One of God's greatest blessings this past year was the support we received from friends like you! You believed in our mission and the importance of it continuing even through a pandemic. You prayed, encouraged and gave generously and we can't thank you enough!

Our annual banquet is typically a time for us to come together around tables and in one room to celebrate all the good that God has done and be inspired to see it continue in the year ahead. This year we have made the hard decision to take our Annual Celebrate Life Banquet virtual yet again. However, we have new ideas for ways you can still engage with other friends of The PCC around your own tables and this year's virtual banquet will include new elements as well. One piece of this year's virtual banquet will be hearing from speaker Ryan Dobson. Ryan has a powerful message of hope and a reminder as to why the work of pregnancy centers is so very important.

Because of your generous support in the past, I would like to invite you to sponsor this year's virtual banquet. Enclosed are the different levels of sponsorship. We have changed some of the names to fit our virtual/in home setting. The traditional Table Sponsor is now called our At Home Sponsor. With this sponsorship, should you choose, we will be including a hosting kit with lots of great things for you to host friends in your own home around your own table. You will receive programs, pens, favors, and even a gift card to a local restaurant to offset the cost of dinner. You are more than welcome to choose to be an At Home Sponsor but opt to not host people in your home, we want you to do whatever you feel comfortable with and what you feel led to do.

Any sponsorship of \$1000 or more will include two tickets to a VIP in person recording of Ryan Dobson sharing his message. This will be taking place on Thursday, April 8<sup>th</sup> at Stateline Church. Ryan is excited to still be able to come to Rockford and meet some of you as well as share his story, we just couldn't do it with all 400 people that usually attend our banquet.

I can't thank you enough for considering sponsoring this year's banquet. Please let us know by February 26<sup>th</sup> of your decision. You can simply fill out the enclosed Sponsorship Information Form and email it to [amanda@thepregnancycarecenter.org](mailto:amanda@thepregnancycarecenter.org) or mail it in. If you have any questions please don't hesitate to reach out! We are excited for this year's banquet but are still looking forward to the day when we can all be back together again!

Loving Life,
