*We have the privilege of providing care for post abortive men and women. We utilize the **“Save One” Post Abortion Program**. Some basic details about the program are included with this document. We have also found **“Changed: Making Sense of Your Own or a Loved One’s Abortion Experience” by Abortion Changes You** <http://www.abortionchangesyou.com/> for those who are not yet open to biblical care. We are grateful that God can use any tool to accomplish His work as He pours Himself through our mentors – His willing vessels.*

A Special Reminder: *If abortion has personally touched your life, we first want to offer our loving, healing care to you before we ask you to serve others. The healing and restorative work the Lord wants to do in your heart is a gift we want to provide if you have not had a personal season of healing. Please speak with Aimee Orem (815.680.5103) about your need.*
